Piani Teak Legno - Teakwood Tops

Il teak è un legno resistente all'esterno. Si consiglia in funzione della continua esposizione agli agenti atmosferici, di applicare periodicamente olii protettivi per mantenere la qualità ed il colore originario.

The teakwood is suitable for outdoor use. Due to the continuous exposure to the atmospheric agents, we suggest to apply periodically protective oils, in order to preserv its original quality and colour.

I piani in legno teak sono utilizzabili su tutti i telai tavolo con esclusione dei seguenti articoli : art. 808 - 1187
